Elektel Delusion: Extra Chapter

Fumi-kun Deludes Too

NEKOTA YONEZOH

Introduction.

Yeee h Th s s t s my last book n
n extra chapter of the comic book
Ekstel Delusion which was released in
ber
Personally I think the couple in this manga r
really we rd seeing as I tried to draw an ike
that is different from those I ve drawn before A
l f people have been telling me things I ke I
k nk this one s better
Thus I try really hard to not make Shunpei the
weak ery baby type
owever as a result I fee that Fumi ends up
n ng the crybaby instead
t g on like th s I gotta change
I people were saying how the two of them
go all the way see I hope I can satisfy them
future
tory will continue into volume 2 which will
t next year So I decided to make this
ngshi about Fumi s delusions
I also dec ded to held back on the H-scenes
I'm scared that people will tell me We can t
print thos if I draw racy scenes so I decided to
omit them And yet this book is meant for adults
nly
you were expecting a lot from this book please
ure your expectation by 30% when reading it (I
nk I said th s before somewhere)

Also sadly to say I drew the cover of this book
about a month before I drew the insides Thus the
images on the cover and insides look slightly differ-
ent
Ikes hike
I want to redraw t That s what I thought on the
orn ng before submitted the manuscript
right I'll stop my whining now

Please enjoy the story And don t forget to reduce
r expectation by 30%
t s really important so I have to say it twice)

I'm sure I can only be like that when the partner is Shunpei
Blood rushed to my head..

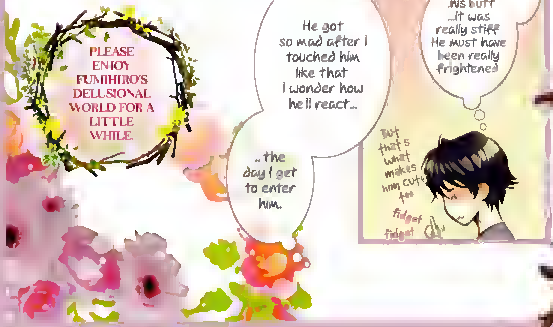
It was only sumata and he's already so frightened
I feel sorry for him but
Seeing Shunpei's crotch getting all wet and dirty from my thrusting action...
...aroused me even more!
I got so excited...

NOTE: "SUMATA" IS THE PROCESS OF GRINDING THE GENE'S PENIS IN BETWEEN THE WET THIGHS



PLEASE ENJOY FUMIHIRO'S DELUSIONAL WORLD FOR A LITTLE WHILE.
He got so mad after I touched him like that I wonder how he'll react...

Postscript.

Thank you for reading this book. As this is an all-colored book, I was really happy I could do what ever I wanted with the delusional scenes.

Ah, about the flowers... They're not meant to be there for artistry sake. But I put them there because that's how Fumi sees Chunpei's delusions... his visions.

I bought a lot of materials that are meant for photographs last time. I was really happy with the purchase but I couldn't use them for my illustrations. So since this was going to be an all-colored doujinshi, I tried using as much of it as this book as possible.

While I was coloring this book, there were a lot of times when I thought that "is this overboard or not..." but I still gave it my best.

But now that I'm looking back on this book, there were several parts that I feel "I should have added more flowers here" and got all excited. But it was really fun.

I really hope that everyone who reads this book enjoys it, but I guess that is impossible. As I would have expected it.

And... to the little people who have gave in their extra best for this book. All 3 of them were covered in wounds with their strained eyes and stiff shoulders.

It's really tiring to use a computer after all, isn't it?
Thank you so much for giving it your all this year!

Well then everyone, let's meet again in my next book.
My ambition next year is to be "healthy!"
